DOUBLE WIN FOR THE VINEYARD HOTEL & SPA AT TODAY'S DINERS CLUB WINE LIST AWARDS

FOR IMMEDIATE RELEASE

South Africa, Cape Town, Monday 13th September 2010; BOTH The Square Restaurant & Sushi Bar and The Garden Lounge at Cape Town's Vineyard Hotel & Spa received top awards at today's 2010 Diners Club Wine List Awards ceremony.

Hosted at the Vineyard Hotel & Spa, Diners Club awarded the Square a Diamond accolade for its superb wine offering and a Gold for The Garden Lounge, which is the venue's maiden participation in the competition.

The Vineyard Hotel & Spa is well known for its passionate interest and participation in the Cape's wine industry. In 2009, a small vineyard was re-planted within the hotel's 6-acre gardens, which is a symbolic gesture recalling the days when English adventurer Lady Ann Barnard owned the Vineyard farm of some 20,000 vines in what is now the heart of suburban Newlands. The new vineyard on the banks of the Liesbeeck River is partnered with South African wine brand legends Meerlust, Warwick, Simonsig, Waterford and Klein Constantia.

Under the direction of both recently appointed Matt Deitchman, the Vineyard Hotel & Spa's Food & Beverage Manager and Gregory Mutambe, the hotel's Sommelier, a fresh wind of change has seen the Square's popular gourmet evenings a hit amongst the local dining-out community while The Lounge has had a complete décor make-over which is in-keeping with this stylish destination.
