Vineyard Hotel & Spa appoints Jarat Tours

(Cape Town, 4 November 2010) As part of an improved service offering, Vineyard Hotel & Spa has appointed Jarat Tours to manage private luxury tours and exclusive chauffeur services for its guests.

"We're delighted to have the legendary Johnny Christodoulides and his team on board. We now have imported E-class instead of C-class Mercedes at the Vineyard Hotel & Spa, and our people carriers have also been upgraded," confirmed General Manager, Roy Davies.

As part of this new arrangement, Jarat Tours will also be managing the travel desk. "We're now able to offer guests a travel desk with a greater concierge service," Davies said.

"We're very proud to have been appointed to the Vineyard Hotel and will strive to offer an excellent and reliable service to the hotel's guests," says the owner of Jarat Tours, Johnny Christodoulides. "Our fleet consists of luxury vehicles which are constantly monitored and maintained. Our cars are never older than three years."
